Purpose of the policy

This document is provided as an exams-specific supplement to the *centre-wide disability/accessibility policy/plan* which details how the centre will:

This must include a duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates; †for any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect*

JCQ's General Regulations for Approved Centres_2020-2021 (section 5.4)

On advice from the (Centre Assessor) a candidate may be provided with a laptop with word processor (with spelling and grammar check/predictive text disabled) provided it is their normal way of working within the centre and is appropriate for their needs. The (Centre Assessor) will ensure the necessary testing and evidence are collected and the Exams Officer will ensure a word processor cover sheet (Form 4) is completed for each Examination.

A copy of this policy is available on the Kimberley School Website under the Our School > Policies > Exam Policies section. Copies are also held on the internal staff share directory:

“S” drive in the Policies > Exam Policies > 2019.20 folder

A hard copy is kept in the Exams Folder in the Exams office, an electronic (scanned) version is kept in the Exams policies directory.

Centres are allowed to provide a word processor (e.g. computer, laptop or tablet) **with the spelling and grammar check/predictive text disabled** to a candidate **where it is their normal way of working within the centre**, unless an awarding body's specification says otherwise. **For example, where the curriculum is delivered electronically and the centre provides word processors to all candidates.** This also includes an electronic braille or a tablet. [ICE 14.20]

A centre must have a policy on the use of word processors. A word processor cannot simply be granted to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home.

The use of a word processor must reflect the candidate's normal way of working within the centre. For example, where the curriculum is delivered electronically **and the centre provides word processors to all candidates.**

The centre may wish to set out the particular types of candidates which it considers would benefit from the use of a word processor. For example, a candidate with...

A member of the centre's senior leadership team must produce a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations. [AA 5.8]
