

Dear Year 11 Parents and Carers

## Reminder of arrangements for the 2021 Kimberley Sixth Form Open Evening

A reminder that the Sixth Form Open Evening is taking place this week and is split into two events:

### 6 pm on Tuesday 5th October 2021 - online "Zoom" presentation to parents and students.

This will be an opportunity for parents and students to find out more about our Sixth Form from the Sixth Form Leadership Team and current students. Importantly, our Deputy Head Teacher will also explain how the application process will work. You can use this [link to access the meeting on Zoom](#) - please do not try to join the meeting before 5:50 pm.

### 5 pm - 7 pm on Wednesday 6th October 2021.

This will be held in school. This will be an important opportunity for parents and students to meet with subject teachers and current students to find out more about the courses on offer. If you are joining us on this evening please report to the front of school where you will be given an information pack.

Our school priority at the moment is, following 18 months of disruption, to get our students quickly back on track to academic and social success. In order to keep everybody safe during the evening and minimise any further disruption to school, visitors to the school site are asked to follow these guidelines.

- We would encourage all visitors to the site to take a Lateral Flow Test before attending.
- Wearing a face covering is not compulsory but it will help protect the staff and student who are attending the evening
- Do not attend if you have symptoms of Covid-19, have recently tested positive or have been instructed by NHS Track and Trace to self-isolate
- Exercise good hand and respiratory hygiene throughout the evening
- Minimise the number of people in your party. Parents and carers will wish to attend with their child in Year 11 but we would ask that siblings do not attend if this is possible.

When you are in school you will be able to visit the subject areas to meet staff and students and find out more about the qualifications on offer. You will be given a map when you arrive, however, for your convenience you will find a copy of this on the next page. The evening has been designed to avoid congestion and overcrowding as much as possible. However, if you do arrive at a room that is busy then please consider waiting and returning a little later in the evening when it is quieter.

We are all looking forward to meeting you "virtually" on the 5<sup>th</sup> October and then in school on the 6<sup>th</sup> October. Please do remember that the [2021 Open Evening page of our website](#) sets out all the information you can access about our great Sixth Form.

Yours faithfully

Andrew George  
Head Teacher

Please drop into the Sixth Form Centre to see our great facilities.  
 There will also be an opportunity to talk to Sixth Form leaders and current students
