

# STEP UP TO 6TH FORM

KIMBERLEY SCHOOL TRANSITION INFORMATION

## Geography A Level AQA

### COURSE DETAILS

UNIT 1

#### Physical Geography

- Water and carbon cycles
- Hazards
- Coastal systems and landscapes

UNIT 2

#### Human Geography

- Global systems and global governance
- Changing Places
- Contemporary Urban Environments

COURSEWORK

#### Fieldwork

The final 20% is made up of the NEA ( a type of coursework) where you choose an aspect of the course you are curious about and carry out fieldwork and data collection to investigate it. This has to involve extensive fieldwork and usually a residential visit.

#### EXAMS

2 x 2hr30min - 40%

#### LINK TO THE SPECIFICATION

See a detailed document of what we will cover in this course:

[www.aqa.org.uk/subjects/geography/as-and-a-level/geography-7037](http://www.aqa.org.uk/subjects/geography/as-and-a-level/geography-7037)

#### Work you can do to prepare for A Level study

##### Wider Reading

My Revision Notes: AQA AS/A-level Geography

#### FILM & TV

An Inconvenient Truth – a really interesting look at climate change

#### USEFUL RESOURCE LINKS

[The Curious Geographer / Jay Foreman - www.youtube.com](https://www.youtube.com)

[www.geographynewsroom.co.uk/](http://www.geographynewsroom.co.uk/) - This site provides links to geography related events in the news.

[www.gapminder.org/](http://www.gapminder.org/) - The site strives to present information for a fact-based view. I particularly like the video on '200 years that changed the world'

[www.geography.org.uk/](http://www.geography.org.uk/) - This site is well worth a visit, as it has plenty of information, links to other good sites and continually updated material.
