

Careers Information –

Apprenticeships information for Parents

Are you interested in finding out more about workplace based post-16 education?

There is lots going on nationally for Apprenticeships Week 5th – 11th February 2024

What is an apprenticeship?

- An apprenticeship is a **paid job which offers hands-on work experience alongside** off-the-job training.
- Apprenticeships combine **practical training** in a job with **study**.

Key Info

- Apprenticeships range from Level 2 (GCSE) to Level 7 (Masters Level)
- They are available through thousands of organisations
- You can find out more at: <https://amazingapprenticeships.com/>

Online Event for Parents from Careers Live – REGISTER BELOW

Let's Talk Apprenticeships – The broadcast all parents have been waiting for! LIVE on **Wednesday 7th February 2024** from **6 pm**

We will answer all the questions parents and carers want to know the answer to!

Our online broadcast will arm you with all the information you need to fully understand apprenticeships! The incredible option that should not be ignored.

Join our live broadcast to hear from industry experts, current apprentices, and apprenticeship providers with the opportunity to ask them questions live.

This broadcast for parents will help you to answer these important questions:

- What are the benefits of choosing this route?
- Where can they lead; how far can they take someone?
- What is an apprenticeship?
- What are the common misconceptions about apprenticeships?
