Dear Parent/Carer

#### PARENT GOVERNOR VACANCY

The Kimberley School seeks an enthusiastic and dedicated parent to become a parent governor. Being a governor is important, interesting and satisfying. Governors have the opportunity to express their own views, to listen to the views of other representing the school and its community and to influence our students' education for the better.

As a TKS governor, you would be part of a committed team of volunteers (the governing body) with a range of important responsibilities. Governors work in partnership with school staff to shape the future of the school and to decide the key issues that will help staff to raise standards. You will be expected to attend the four full governing body meetings per year, and also perform other tasks such as visiting the school or being part of governor panels. As the term of office is for four years, we would particularly welcome expressions of interest from parents of our current year 7.

If you would like a current governor to contact you to discuss the post, please email [office@kimberleyschool.co.uk](mailto:office@kimberleyschool.co.uk), using *Parent Governor* as your subject line.

To nominate yourself, please fill in this simple [online form](#).

The deadline for nominations is Thursday 8<sup>th</sup> June 2023. If by that date one application has been received, that person will be duly elected. If more than one nomination has been received, a parental election will follow.

Yours sincerely

Jon Mellor  
Executive Headteacher
