

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 1

Subject	Revision Activity	✓
Business Studies	Revise the follow: Theme 1 'Dynamic nature of Business' and Theme 2 'marketing mix'	
Computer Science	Unit 1 – Topic 1 'Systems Architecture' FDE Cycle, Registers and Components of the CPU	
Drama	C3 Section B: Theatre Review (Wicked). Please complete an analysis (flashcard, mind map) for a second scene choice for the Set Design and Costume questions we recently started in lessons (pre-Dec mocks).	
English	Re-visit timings and top tips for Language Paper One. Reading section. Use your Year 10 mock paper and notes in your exercise book to create a checklist for each question.	
Food & Nutrition	Nutrition and health - Proteins, fat, carbohydrates, vitamins – fat and water soluble, minerals, fibre and water	
French	Go back in your exercise book and module booklet and complete any unfinished tasks. Look at the vocabulary pages in the back of the booklet and learn unknown words. Complete reading and writing exam practice questions at the end of the topic. Complete or re-do ActiveHubs tasks from the module, especially skills like dictation and listening. Learn by heart 6-8 speaking answers. Anticipate further speaking questions for this topic and practise how you would answer them. <u>Module 1 – free time activities, including sports and online activities.</u>	
Geography	PAPER 1 – Hazards <ul style="list-style-type: none"> • Case studies: Haiti, Japan, Typhoon Haiyan, Beast from the East • Theory: why live in a hazardous area, monitoring/prediction/planning/protection, evidence of UK weather becoming more extreme, formation of a tropical storm and links to climate change • Plate margins: constructive, destructive, conservative • Climate change: evidence, causes, impacts, mitigation and adaptation 	
German	Module 1 – Back to School <ul style="list-style-type: none"> • Go through the Module 1 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Graphic products	Products in society and powering systems p10 – 13	
Health and Social Care	<u>Component 3 Exam Content</u> – Health & Wellbeing, Inherited Conditions, Physical ill Health, Mental ill Health, Physical Abilities, Sensory Impairment. (Revision Guide Pages 1-6)	
History	<u>Paper 1 Medicine:</u> <u>Focus:</u> <ul style="list-style-type: none"> • Beliefs about cause of disease c1250-present day (page 4 revision guide) • Methods of treatment c1250-present day (page 5 revision guide) Link for revision resources: Paper 1- Medicine	
Maths	Click on the link for Higher or Foundation and watch the video from Corbett maths for 100 days to go!	

Media	Revise Vogue focusing on the uses and gratifications theory and how this is evident in the magazine. How is <u>personal identity</u> demonstrated?	
Music	Key signatures up to 4 sharps and flats; and major and minor chords.	
Physical Education	Paper 1, Component 1: A&P. Functions of the skeleton, Classification of Bones, Structure of the Skeleton, Classification of Joints, Movement at Joints, Ligaments, Tendons and Muscle Types. (Revision Guide pages 1-8)	
Religious education	Theme A: Relationship and Families: 3.1, 3.2, 3.3 3.4, 3.5	
Resistant materials	Products in society and powering systems P10- 13	
Combined Biology	B10 Nervous System B11 Hormonal Control	
Combined Chemistry	C8 Rates of reaction, effect of temperature, concentration, surface area and catalysts, reversible reactions and equilibria	
Combined Physics	P8 Forces and P9 - Motion	
Triple Biology	B10 Nervous System B11 Hormonal Control	
Triple Chemistry	C8 Rates of reaction, effect of temperature, concentration, surface area and catalysts, reversible reactions and equilibria	
Triple Physics	P8 Forces and P9 - Motion	
Spanish	Module 1 <ul style="list-style-type: none"> • Go through the Module 1 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Sports Studies	Topic 1: User groups and barriers	
Textiles	1.1 New and emerging Technologies. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zh2w7p3/revision/1	
IT	Data, Information, Data Collection Methods, Data Benefits/Drawbacks	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 2

Subject	Revision Activity	✓
Business Studies	Revise the following Theme 1 '1.2 spotting business opportunities i.e market segmentation' and Theme 2 '2.3 Business operations'	
Computer Science	Unit 1 – Topic 2 'CPU Performance' Characteristics.	
Drama	Find Me: review your mock exam paper and look at the indicative content for the question on lighting and sound and the changing mood of the scene; put together 2 new paragraphs on a revision flashcard using some of the key examples, <i>e.g. use of naturalistic lighting</i> .	
English	Revise top tips for Question 5 Language Paper One. Revise sentence variations. Additional support can be found at: Spotlight on GCSE English Language: Paper 1 Question 5 Plan a response to the question: Write a description of a cold place.	
Food & Nutrition	Nutrition and health - Healthy eating guidelines, nutritional needs of different age groups, diet related health problems, energy needs, nutritional analysis, planning meals for different groups.	
French	Go back in your exercise book and module booklet and complete any unfinished tasks. Look at the vocabulary pages in the back of the booklet and learn unknown words. Complete reading and writing exam practice questions at the end of the topic. Complete or re-do ActiveHubs tasks from the module, especially skills like dictation and listening. Learn by heart 6-8 speaking answers. Anticipate further speaking questions for this topic and practise how you would answer them. <u>Module 2 – friendship, role models, celebrities</u>	
Geography	PAPER 1 –Living World <ul style="list-style-type: none"> • Case studies: Alaska & The Amazon • Ecosystems: producers, decomposers, small-scale ecosystem, biomass, food chains * food webs • Tropical Rainforests: importance, layers, plant and animal adaptations • Cold environments, climate, interdependence, permafrost, plant and animal adaptations 	
German	Module 2 – Free time <ul style="list-style-type: none"> • Go through the Module 2 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Graphic products	Properties of materials p14 - 16	
Health and Social Care	<u>Component 3 Exam Content</u> – Nutrition, Physical Activity, Smoking and Nicotine use, Alcohol Misuse, Substance Misuse. (Revision Guide Pages 7-11)	
History	<u>Paper 1 Medicine:</u> <u>Focus:</u> <ul style="list-style-type: none"> • Methods of prevention c1250-present day (page 6 revision guide) • Methods of care c1250-present day (page 7 revision guide) 	

	Link for revision resources: Paper 1- Medicine	
Maths	Click on the link to visit Corbett maths . Use your QLA document to find a topic and watch the video.	
Media	The Guardian: what news values are evident in the front cover? Consider negativity, close to home, and conflict.	
Music	Names of and sounds of Cadences (through practise). ** Using the correct vocab – ‘Perfect cadence’, not ‘finished’	
Physical Education	Paper 1, Component 1: A&P . Muscles, Antagonistic Muscle Pairs, Muscle Fibre Types, Cardiovascular System, Blood Vessels, Vascular Shunting, Plasma, Platelets and Blood Cells (Revision Guide Pages 9-19)	
Religious education	Theme A: Relationship and Families: 3.6, 3.7, 3.8	
Resistant materials	Properties of materials P14-16	
Combined Biology	B13 Reproduction B14 Variation and Evolution	
Combined Chemistry	C9 crude oil and fuels, hydrocarbons, fractional distillation, burning hydrocarbons, cracking hydrocarbons	
Combined Physics	P10 – Forces and Motion	
Triple Biology	B12 Homeostasis	
Triple Chemistry	C9 crude oil and fuels, hydrocarbons, fractional distillation, burning hydrocarbons, cracking hydrocarbons. C10 Alkenes, Alcohols, Carboxylic acids and esters	
Triple Physics	P10 – Forces and Motion P11 – Forces and Pressure	
Spanish	Module 2 <ul style="list-style-type: none"> • Go through the Module 2 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Sports Studies	Topic 1: Solutions to barriers	
Textiles	Energy generation and storage Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zd4bcj6/revision/1	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 3

Subject	Revision Activity	✓
Business Studies	Complete revision for Theme 1 Topic 1.3 Putting a business idea into practice i.e break even, cash flow, sources of finance'	
Computer Science	Unit 1 – Topic 3 Memory and Storage	
Drama	C3 Section A , Read the "rehearsal techniques" revision sheet given to you in lessons and complete the questions. You will need your Find Me books.	
English	Create a mind- map of all poems that explore the theme of war in the Power and Conflict poems from your anthology. For each poem, record key quotes. Use GCSE Pod to support your revision of individual poems.	
Food & Nutrition	The science of food - Why is food cooked, heat transfer, cooking methods – water, fat and dry based.	
French	Go back in your exercise book and module booklet and complete any unfinished tasks. Look at the vocabulary pages in the back of the booklet and learn unknown words. Complete reading and writing exam practice questions at the end of the topic. Complete or re-do ActiveHubs tasks from the module, especially skills like dictation and listening. Learn by heart 6-8 speaking answers. Anticipate further speaking questions for this topic and practise how you would answer them. Module 3 – school subjects, rules, primary school, future study	
Geography	PAPER 1 – Rivers <ul style="list-style-type: none"> • Case studies: River Jubilee • Theory: long & cross profile, causes of flooding and flood hydrographs • Landforms: Waterfalls and gorges, interlocking spurs, meanders, oxbow lakes, floodplains, levees and estuaries • Management: dams, channel straightening, artificial levees, flood relief channels, floodplain zoning, afforestation, flood warning and river restoration 	
German	Module 3 – My world, your world (festivals and family life) <ul style="list-style-type: none"> • Go through the Module 3 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Graphic products	Developments in modern materials. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zn67xfr/revision/1	
Health and Social Care	<u>Component 3 Exam Content</u> – Relationships, Social Interaction, Cultural Factors, Economic Factors, Housing, Environment Factors, The Home Environment. (Revision Guide Pages 12-18)	
History	<u>Paper 1 Medicine:</u> <u>Focus:</u> <ul style="list-style-type: none"> • Case studies (pages 8-11 of the revision guide) • Key individuals (pages 12-15 of the revision guide) • Key institutions (page 16 of the revision guide) • Other factors of development (page 16 of the revision guide) 	

	<ul style="list-style-type: none"> Key dates (page 17 of the revision guide) Link for revision resources: Paper 1- Medicine	
Maths	Use Sparx maths and your individual QLA document to tackle one of your red or amber topics as per this video	
Media	Study Vaccine issues in the Sun. Revise the contextual issues behind the Sun's representation of the COVID Vaccine Programme. Write a 5 mark answer and bring it to me to mark. (<i>How do political contexts influence newspaper production?</i>)	
Music	Instrumental techniques – e.g. Pizzicato, Tremolo etc. (see the glossary)	
Physical Education	<u>Paper 1, Component 1: A&P. Composition of Air, Lung Volumes, The Respiratory System, The Alveoli and Gas Exchange, Energy and Energy Sources, Short Term Effects of Exercise on the Muscular System, Short Term Effects of Exercise on the Cardio-respiratory System. (Revision Guide pages 20-26)</u>	
Religious education	Theme B: Religion and Life: 4.1, 4.6	
Resistant materials	Developments in modern materials. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zn67xfr/revision/1	
Combined Biology	B15 Genetics and Evolution	
Combined Chemistry	C12 Chemical analysis, pure substances and mixtures, analysing chromatograms, testing for oxygen, carbon dioxide, chlorine and hydrogen	
Combined Physics	P11 – Wave Properties?	
Triple Biology	B13 Reproduction B14 Variation and Evolution	
Triple Chemistry	C11 Addition polymers, condensation polymers, natural polymers, DNA C12 Chemical analysis, pure substances and mixtures, analysing chromatograms, testing for oxygen, carbon dioxide, chlorine and hydrogen	
Triple Physics	P12 and P14 – Wave Properties and Light	
Spanish	Module 3 <ul style="list-style-type: none"> Go through the Module 3 booklet and complete any unfinished tasks Learn the vocabulary pages at the back of the booklet Complete reading and writing exam practise questions at the end of the topic Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Textiles	Developments in modern materials. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zn67xfr/revision/1	
IT	Selection and Justification of Software, Tools and Techniques used to process data, Selection and Justification of the appropriate tools to present information, Resources required for presenting information	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 4

Subject	Revision Activity	✓
Business Studies	Complete Theme 1 revision 'Topic 1.4 Making the business effective' e.g location, business plans	
Computer Science	Unit 1 – Topic 2 Data Storage – Binary, Hexadecimal and Denary conversions, Binary shifts	
Drama	C3 Section A , (you will need) Find Me text: Page 50 (Verity I monologue) until the end of play. Answer the questions on SMH.	
English	Create a mind- map of all poems that explore the theme of power in the Power and Conflict poems from your anthology. For each poem, record key quotes and the different types of power. Use GCSE Pod to support your revision of these poems.	
Food & Nutrition	The science of food - changing properties – protein, carbohydrates, fats and oils. Raising agents, use of microorganisms.	
French	Go back in your exercise book and module booklet and complete any unfinished tasks. Look at the vocabulary pages in the back of the booklet and learn unknown words. Complete reading and writing exam practice questions at the end of the topic. Complete or re-do ActiveHubs tasks from the module, especially skills like dictation and listening. Learn by heart 6-8 speaking answers. Anticipate further speaking questions for this topic and practise how you would answer them. Module 4 – healthy living – meals, smoking, exercise, giving advice using 'il faut'	
Geography	PAPER 1 – Coasts <ul style="list-style-type: none"> • Case studies: Medmerry • Processes: erosion, transportation, deposition, longshore drift, mass movement, weathering • Landforms: Headlands & bays, wave cut platforms, stacks and stumps, beaches, sand dunes, spits and bars • Management: Sea walls, rock armour, gabions, groynes, beach nourishment, dune regeneration, dune fencing and beach re-profiling 	
German	Module 4 – Staying healthy <ul style="list-style-type: none"> • Go through the Module 4 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Graphic products	Electronic systems. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zhxqmsg/revision/1	
Health and Social Care	<u>Component 3 Exam Content</u> – Life Events, Life Circumstances, Health Indicators, Heart Rate, Blood Pressure, Body Mass Index (BMI). (Revision Guide Pages 19-24)	
History	<u>Paper 1 Medicine on the Western Front:</u> <u>Focus:</u> <ul style="list-style-type: none"> • Battles (page 20 of the revision guide) • Environment (pages 21-22 of the revision guide) • Chain of evacuation (page 23 of the revision guide) • Medical developments (pages 24-27 of the revision guide) Link for revision resources: Paper 1- Medicine	

Maths	Click on the link to Maths Genie . Search for a red or amber topic from your QLA document or pick a topic at the grade you are aiming for.	
Media	Study the body language and representation of men in No Time to Die. How is Bond an example of hypermasculinity?	
Music	Technological effects – e.g. reverberation, distortion, delay. (see the glossary)	
Physical Education	Paper 1, Component 2: Movement Analysis. Lever Systems, Planes and Axis of Movement. (Revision Guide pages 27-30)	
Religious education	Theme B: Religion and Life: 4.2, 4.3, 4.4	
Resistant materials	Electronic systems. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zhxqmsg/revision/1	
Combined Biology	B16 Adaptations, Interdependence and competition	
Combined Chemistry	C13 History of the atmosphere, evolving atmosphere, greenhouse gases, global climate change, atmospheric pollutants C14 finite and renewable resources, water safety and treatment, extracting metals, life cycle assessment, reduce, reuse and recycle	
Combined Physics	P1 – Conservation and Dissipation of Energy	
Triple Biology	B15 Genetics and Evolution	
Triple Chemistry	C13 History of the atmosphere, evolving atmosphere, greenhouse gases, global climate c hange, atmospheric pollutants C14 finite and renewable resources, water safety and treatment, extracting metals, life cycle assessment, reduce, reuse and recycle	
Triple Physics	P1 – Conservation and Dissipation of Energy	
Spanish	Module 4 <ul style="list-style-type: none"> • Go through the Module 4 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Textiles	Electronic systems. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zhxqmsg/revision/1	
IT	LO1 – Understanding Tools and Techniques used to plan IT solutions.	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 5

Subject	Revision Activity	✓
Business Studies	Complete Theme 2 revision 'Topic 2.4 Making financial decisions i.e ARR, GPM and NPM and Topic 2.5 Making human resource decisions, organisational design'	
Computer Science	Unit 1 – 1.3 Networks, Connections and Protocols	
Drama	Section B Wicked. Look at the exemplar response for the "characterisation" theatre review question from 2019 and pick two new characters from the show. Turn your response into flashcards for a revision resource.	
English	Create a mind- map of all poems that explore the theme of memory in the Power and conflict poems from your anthology. For each poem, record key quotes. Use GCSE Pod to support your revision of these poems.	
Food & Nutrition	Food spoilage – Food spoilage, storing food safely, preparing food safely and food poisoning	
French	Speaking revision – ensure you have all of your speaking answers together and have memorised them. Practise the role play, read aloud and describing photos. Practise preparing in timed conditions – you will have 15 minutes of prep time in the exam!	
Geography	PAPER 2 – Urban Issues <ul style="list-style-type: none"> • Case studies: Minha Casa Minha Vida, Rio, Curitiba, Nottingham, London 2012, Transport for London • Theory: Rate of urbanisation, causes of urbanisation, urban sprawl, effects of traffic congestion, impacts of national and international migration, greenfield and brownfield sites. 	
German	Module 5 – My local area <ul style="list-style-type: none"> • Go through the Module 5 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Graphic products	Mechanical devices. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zvfhsrd/revision/1	
Health and Social Care	<u>Component 3 Exam Content</u> – Lifestyle Indicators (nutrition, Physical Activity, Smoking and Substance Misuse and alcohol). (Revision Guide Pages 25-28)	
History	<u>Paper 2 Anglo-Saxon and Norman England</u> <u>Focus:</u> <ul style="list-style-type: none"> • Anglo-Saxon society (pages 3-4 of the revision guide) • House of Godwin (pages 5-6 of the revision guide) • Claimants (page 7 of the revision guide) • Events of 1066 (pages 8-9 of the revision guide) <u>Link for revision resources:</u> Paper 2- Normans	
Maths	Create a log in for onmaths.com and complete a mini-mock paper.	
Media	Compare the representations of gender in Quality Street and an Axe advert. You could use hexagons to do this.	

Music	Musical devices – e.g. sequence, ostinato, arpeggio, scale. Harmonic devices eg Pedal, Drone.	
Physical Education	Paper 1, Component 3: Physical Training. Fitness Health Exercise and Performance, Relationship between Health and Fitness, Cardiovascular Fitness, Muscular Endurance, Flexibility, Reaction Time, Power and Speed, Agility, Balance and Coordination, Body Composition and Strength, PARQ and Fitness Tests, Cardiovascular Fitness Tests, Strength and Flexibility Tests, Agility and Speed Tests, Power and Muscular Endurance Tests, Interpreting Fitness Test Results. (Revision Guide pages 31-46)	
Religious education	Theme B: Religion and Life: 4.5, 4.7, 4.8	
Resistant materials	Mechanical devices. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zvfhsrd/revision/1	
Combined Biology	B1 Cell Structure and transport B2 Cell Division	
Combined Chemistry	C3 Ions, ionic bonding and giant ionic structure, simple molecules, fullerenes and graphene, giant metallic structures and bonding, nanoparticles, properties and uses	
Combined Physics	P2 and P3 - Energy Transfer by Heating and Energy Resources	
Triple Biology	B16 Adaptations, Interdependence and competition	
Triple Chemistry	C3 Ions, ionic bonding and giant ionic structure, simple molecules, fullerenes and graphene, giant metallic structures and bonding	
Triple Physics	P2 - energy transfer by heating	
Spanish	Module 5 <ul style="list-style-type: none"> • Go through the Module 5 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Textiles	Mechanical devices. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zvfhsrd/revision/1	
IT	LO3 – Understand how data and information can be collected, stored and used	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 6

Subject	Revision Activity	✓
Business Studies	Complete the following revision for Theme 1 'Understanding external influences on business i.e inflation, technology changes, social and legal' and Theme 2 'Growing a business' i.e business growth, ethical considerations, stakeholders	
Computer Science	Unit 1 – 1.5 Operating Systems – Characteristics, types and uses	
Drama	Section B: Wicked Look at the information on the use of sound on SMH. Pick 2 moments (from the ones suggested) and expand them into two personal response paragraphs.	
English	Plan a response to: 'How does Priestley present Sheila as a character who changes?'. Write response. Use your notes and quotes booklet or the CPG revision guide to support.	
Food & Nutrition	Where food comes from – Grown food, GM crops, reared food, caught food	
French	Speaking revision – ensure you have all of your speaking answers together and have memorised them. Practise the role play, read aloud and describing photos. Practise preparing in timed conditions – you will have 15 minutes of prep time in the exam!	
Geography	PAPER 2 – Changing Economic World <ul style="list-style-type: none"> • Case studies: Jamaica, Brazil, Fiat, North-South divide, South-Cambridgeshire and Outer Hebrides • Theory: Development indicators, population pyramids, Demographic Transitional Model, causes and consequences of uneven development, methods to reduce the development gap, causes and features of a post-industrial economy 	
German	Role play and Photocard practise (see uploaded copies on Satchel One) Practise the role play, read aloud and describing photos. Practise preparing in timed conditions – you will have 15 minutes of prep time in the exam!	
Graphic products	Material Categories and properties Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zdkr97h/revision/1	
Health and Social Care	<u>Component 3 Exam Content</u> – Person Centred Approach, Skills and Attributes, Values of Care, Benefits for H&SC Workers, Recommendations for a Healthy Heart, Recommendations for Diet and Weight Control, Recommendations for Lifestyle Changes. (Revision Guide Pages 29-35)	
History	<u>Paper 2 Anglo-Saxon and Norman England</u> <u>Focus:</u> <ul style="list-style-type: none"> • William securing his kingdom (pages 10-11 in the revision guide) • Rebellions against William (pages 12-14 in the revision guide) • Normanisation of England (pages 15-18 in the revision guide) • William's later life and succession crisis (pages 19-20 in the revision guide) <u>Link for revision resources:</u> Paper 2- Normans	
Maths	Log in to onmaths.com. Click the link for Higher or Foundation . Pick a red or amber topic from your QLA and try the questions. Try the Demon questions if you are aiming for a grade 9!	

Media	Revise The Archers and consider the radio industry, including BBC4, its remit, and audiences. Create flashcards for demographics, psychographics and ownership.	
Music	Musical ornaments e.g. Acciacatura, turn, trill, glissando etc.	
Physical Education	Paper 1, Component 3: Physical Training. Progressive Overload, Specificity, Individual Needs and Overtraining, FITT and Reversibility, Training Thresholds, Training Methods, Fitness Classes, Pros & Cons of Training Methods, The Effects and Benefits of Exercise to the skeletal System, Adaptations to the Muscular System/Cardiovascular System/Respiratory System. (Revision Guide pages 47-64)	
Religious education	Theme D: Religion, Peace and Conflict: 6.1, 6.2, 6.3, 6.4	
Resistant materials	Material Categories and properties Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zdkr97h/revision/1	
Combined Biology	B3 Organisation and digestive system	
Combined Chemistry	C4 mass, moles and formula mass calculations, equations and calculations, making a standard solution, concentrations	
Combined Physics	P4 – Electric Circuits	
Triple Biology	B1 Cell Structure and transport B2 Cell Division	
Triple Chemistry	C4 mass, moles and formula mass calculations, concentration and volume calculations, titrations, yields and atom economy	
Triple Physics	P3 - energy resources	
Spanish	Speaking preparation – all themes <ul style="list-style-type: none"> • Go through your speaking questions from all themes. • Learn by heart your speaking answers. • Practise role plays and photo card descriptions from your booklet. 	
Textiles	Material Categories and properties Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zdkr97h/revision/1	
IT	LO4 – Understand Factors to be considered when collecting, storing and processing data and information	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 7

Subject	Revision Activity	✓
Business Studies	Revise the follow 'Human resources' Topics include (assessed on paper 2): <i>Motivation and training</i>	
Computer Science	Unit 2 – 2.1 Algorithmic Thinking 'Computational Thinking, Abstraction and Decomposition'	
Drama	C3 Section A , (you will need) Find Me text : read the Bonfire Scene, page 17: <i>The Fifth of November</i> to page 21: <i>the flicker spot goes out</i> . Answer the questions linked to the section above on SMH.	
English	Create a mindmap on the themes of family and redemption in <i>A Christmas Carol</i> . Include quotes in your mindmap and contextual links. Use your Notes and Quotes booklet to support. You can also use your CPG revision guide.	
Food & Nutrition	Where food comes from – Waste and packaging, food miles and carbon footprint, global food production, British and international cuisines	
French	Go back in your exercise book and module booklet and complete any unfinished tasks. Look at the vocabulary pages in the back of the booklet and learn unknown words. Complete reading and writing exam practice questions at the end of the topic. Complete or re-do ActiveHubs tasks from the module, especially skills like dictation and listening. Learn by heart 6-8 speaking answers. Anticipate further speaking questions for this topic and practise how you would answer them. Module 5- holidays – ideal, activities & festivals	
Geography	PAPER 2 – Resources <ul style="list-style-type: none"> Theory: the importance of resources, why we import so much food, impacts of importing food, agribusiness, organic produce, strategies to increase water supply, opportunities and challenges linked to the UK's energy mix. 	
German	Role play and Photocard practise (see uploaded copies on Satchel One) Practise the role play, read aloud and describing photos. Practise preparing in timed conditions – you will have 15 minutes of prep time in the exam!	
Graphic products	Edexcel Textiles. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zfr3rwx/revision/1	
Health and Social Care	<u>Component 3 Exam Content</u> – Professional Support, Formal Support, Barriers to Accessing Identified Services, Potential Obstacles, Emotional and Psychological Obstacles, Time Constraints, Availability of Resources, Unachievable Targets, Lack of Support. (Revision Guide Pages 36-45)	
History	<u>Paper 2 American West</u> <u>Focus:</u> <ul style="list-style-type: none"> Settlement on the Plains (including farming) Way of life of the Native Americans and government policy towards them Link for revision resources: Paper 2- American West	
Maths	Use your individual QLA document to watch a video on Corbettmaths.com	
Media	Revise the Helen and Rob episode (OneDrive). Answer the questions focusing on the ways in which characters and narratives are important to the BBC remit and their target audience. Has the audience changed over time and what impact does the show have on the audience?	

Music	Knowledge of rhythm and time signatures; rhythm notation – from the semi quaver-quaver-crochet-minim, semibreve, including dotted notes, triplet notes, and all their equivalent rests.	
Physical Education	Paper 1, Component 3: Physical Training. Injury Prevention, Fractures, Concussions and Dislocations, Injuries at Joints and Soft Tissue, Soft Tissue Injuries and Rice, Anabolic Steroids, Beta Blockers, Diuretics, Narcotic Analgesics, Peptide Hormones, Stimulants, Blood Doping, Warm-up and Cool Downs. (Revision Guide pages 65-79)	
Religious education	Theme D: Religion, Peace and Conflict: 6.5, 6.6	
Resistant materials	Edexcel Textiles. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zfr3rwx/revision/1	
Combined Biology	B4 Organising animals and plants	
Combined Chemistry	C5 The reactivity series of metals, displacement reactions, making salts from metals and insoluble bases, neutralisation and pH, strong and weak acids	
Combined Physics	P5 – Electricity in the Home	
Triple Biology	B3 Organisation and digestive system	
Triple Chemistry	C5 The reactivity series of metals, displacement reactions, making salts from metals and insoluble bases, neutralisation and pH, strong and weak acids	
Triple Physics	P4 and P5 – Electric Circuits and Electricity in the Home	
Spanish	Speaking preparation – all themes <ul style="list-style-type: none"> • Go through your speaking questions from all themes. • Learn by heart your speaking answers. • Practise role plays and photo card descriptions from your booklet. 	
Textiles	Edexcel Textiles. Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zfr3rwx/revision/1	
IT	LO6 - Understand the different methods of processing data and presenting information.	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 8

Subject	Revision Activity	✓
Business Studies	Revise the follow 'Marketing' Topics include (assessed on paper 2): <i>Understanding customers, marketing segmentation and methods of market research.</i>	
Computer Science	Unit 2 Searching and Sorting Algorithms (Linear Binary Searching, Bubble, Insertion and Merge Sorts.

Complete reading and writing exam practice questions at the end of the topic. Complete or re-do ActiveHubs tasks from the module, especially skills like dictation and listening. Learn by heart 6-8 speaking answers. Anticipate further speaking questions for this topic and practise how you would answer them. Module 6 – environmental problems and solutions, green technology	
Geography	PAPER 2 – Energy <ul style="list-style-type: none"> Theory: why energy consumption is increasing, why is the distribution of resources uneven, impacts of energy insecurity, advantages and disadvantages of renewable and non-renewable energy Case studies: The Camisea Project and Sompura 	
German	Module 6 – Happy holidays <ul style="list-style-type: none"> Go through the Module 6 booklet and complete any unfinished tasks Learn the vocabulary pages at the back of the booklet Complete reading and writing exam practise questions at the end of the topic Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
Graphic products	Design Contexts Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zk9g4qt/revision/1	
Health and Social Care	Component 3 Exam Content – Your Component 3 Set Task, Identifying Factors, Explaining Factors with Negative Effects, Explaining Factors with Positive Effects (Revision Guide Pages 46-49)	
History	Paper 2 American West Focus: <ul style="list-style-type: none"> Cattle industry Law and order Link for revision resources: Paper 2- American West	
Maths	Log into onmaths.com and complete a Predicted paper 1 for OCR.	
Media	Explain how websites target audiences. Consider The Sun, 007, Fortnite and The Archers websites images we studied.	

Music	Instrument identification and their families. (of western and non-western instruments)	
Physical Education	Paper 2, Component 1: Health, Fitness & Wellbeing, Improving Health, Physical Health, Emotional Health, Social Health, Lifestyle Choices, Sedentary Lifestyles, Impact of Sedentary Lifestyles on Weight, Diet and Energy Balance, Macronutrients, Micronutrients, Optimum Weight, Dietary Manipulation (Revision Guide Pages 82-94)	
Religious education	Theme D: Religion, Peace and Conflict: 6.7, 6.8	
Resistant materials	Design Contexts Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zk9g4qt/revision/1	
Combined Biology	B5 Communicable Diseases	
Combined Chemistry	C6 Electrolysis, electrolysis of solutions and pure ionic compounds, the extraction of aluminium	
Combined Physics	P6 – Molecules and Matter	
Triple Biology	B4 Organising animals and plants	
Triple Chemistry	C6 Electrolysis, electrolysis of solutions and pure ionic compounds, the extraction of aluminium	
Triple Physics	P6 – Molecules and Matter	
Spanish	Module 6 Revision <ul style="list-style-type: none"> • Go through the Module 6 booklet and complete any unfinished tasks • Learn the vocabulary pages at the back of the booklet • Complete reading and writing exam practise questions at the end of the topic • Complete or re-do the Active Hub tasks from the module, which are being assigned to you weekly • Learn by heart 6-8 speaking answers from one of your themes – this will be set as weekly HW 	
IT	Practical IT Skills – Spreadsheet, Database	
Textiles	Design Contexts Open link, read information, watch video, answer test, create revision resource on unit https://www.bbc.co.uk/bitesize/guides/zk9g4qt/revision/1	

YEAR 11 REVISION – 10 WEEK CHECKLIST

Week 9

Subject	Revision Activity	✓
Business Studies	Revise the follow 'Marketing' Topics include (assessed on paper 2): <i>The marketing mix</i>	
Computer Science	Unit 2 File Handling operations (P76) and SQL (P77)	
Drama	Exam practise Section B (staging q) – look at the list of questions from past papers on SMH. What gaps are there in your revision folder? Choose one and put together a response. Plan it for 30 minutes, compose an essay style response in 25. Email to your teacher for feedback.
