Introduction

It is the responsibility of the head of centre to ensure that The Kimberley School has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that The Kimberley School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how The Kimberley School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to

- Collect any declaration of interest

from

- All centre staff

to

- Identify and manage any potential conflicts of interest

.

Declaration process

The Exams Officer will email all centre staff in the Autumn Term, requesting staff to declare any conflicts of interest, this will enable conflict of interests to be declared to the relevant awarding body before the published deadline for entries, this applies to all exam series.

Managing conflicts of interest

A conflicts of interest log is maintained, and any potential conflict declared by centre staff, is recorded on the log. The relevant, awarding bodies are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the

published deadline for entries for each examination series – this is done by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log, and the affected member of staff informed of these measures/protocols.
