

2nd June 2023

Dear Parent / Carer

Uniform update for the remainder of the summer term

We have updated our uniform policy for the remainder of the summer term to reflect the change to warmer weather. This means that students will no longer be permitted to wear a black jumper on top of their shirts, but they will need to have their blazers with them every day as an essential part of our school uniform. The black jumper has only ever been an additional layer to wear if a student needed extra warmth in addition to their blazer during the colder months.

Students can also choose to wear black or grey ankle socks next half-term instead of black tights, if they choose to, with the school skirt. We have reminded students though, that the only skirt we allow is the school skirt with the logo on and that after half-term we expect all students to be in school shoes and not trainers. Students were informed of this information prior to the half term holiday.

We can offer support with uniform where required so please contact the pastoral team if needed. Thank you for your continued support in ensuring all of our students are able to demonstrate the Kimberley Way by being proud of their appearance.

Should we have an incidence of the extreme temperatures we experienced last summer and need to communicate any further amendments to uniform, we will contact you via School Comms at the time.

We are looking forward to welcoming students back to school on Monday 5th June

Best wishes

Andy Park
Head of School
