

Year 11 Revision – Week 1

Business Studies	Why Businesses exist Page 1 - 5
Child Development	Male/female reproductive systems; methods of contraception; emergency contraception; STDs; infertility.
Drama	DNA revision book under Section A: List of questions for A i and ii – <i>look at the exemplar answers, highlight tips/advice – complete exercises</i>
English	Revise a range of key quotes for <i>An Inspector Calls</i> linked to attitudes towards women
Food & Nutrition	Fruit and Vegetables
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 1 – General Stuff.
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 1 – General Stuff.
Geography	Paper 1 - Rivers
Graphic Products	Product sustainability and Social issues p8 & 9 (Blue CGP GCSE Design and Technology revision guides)
Health and Social Care	C.C.C.P.E – 5 Rights
History	Medicine; Middle Ages including the Black Death and the Renaissance including the Great Plague. Consider the themes; Cause, Treatment, Care, Prevention.
Maths	Powers and roots
Media	Create a knowledge organiser exploring GQ and <i>Pride</i> magazine. You could do clock faces, for example. Compare GQ magazine to the <i>Esquire</i> magazine, using the guidance in the booklet. Your focus is representations.
Music	Meanings and different examples of the Areas of Study, e.g. textures, structure, harmony, tonality, (timbre, dynamics, form, structure)
Physical Education	Applied anatomy and physiology: Joints – Bones/muscles/movements/types of contractions (Paper 1) – Revision Guide Pages 1-5
Religious Education	Theme A: Relationship and Families: sexuality, pre/extramarital sex, contraception, marriage
Resistant Materials	Use your revision guides (CGP) Core – Sustainability – Carbon footprint Core sustainability – 6'R's P6-10. Drawing technique – P108- 111
Combined Biology	B1 Cell structure & transport
Combined Chemistry	C1 separating mixtures, fractional distillation, chromatography, history of the atom, structure of the atom, ions, isotopes, electronic structures e.g. 2,8,3 for aluminium
Combined Physics	P1 – Conservation and dissipation of energy
Triple Biology	B1 Cell structure & transport
Triple Chemistry	C1 separating mixtures, fractional distillation, chromatography, history of the atom, structure of the atom, ions, isotopes, electronic structures e.g. 2,8,3 for aluminium
Triple Physics	P1 – Conservation and dissipation of energy
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 1 – General Stuff.
Textiles	Seams/fastenings.
Computing	Fundamentals of algorithms – Representing algorithms and efficiency of algorithms – AQA Revision guide – pages 13-16
Creative iMedia	Purpose of a Visualisation diagram, storyboard and a script. Creating a visualisation diagram, story board and analysing a script. Revision guide pages 3, 4, 5, 6, 23, 24, 25 and 26.

Year 11 Revision- Week 2

Business Studies	Aims, Objectives and Business Success page 6 - 7
Child development	Conception; signs of pregnancy; development of foetus; diet during pregnancy; anti-natal care.
Drama	DNA revision book under Section A: 'List of Questions for B I, ii, iii' - <i>look at exemplar, highlight tips/ advice - complete exercises</i>
English	Create a detailed plan for this <i>An Inspector Calls</i> question: How does Priestley present Gerald's relationships with women in <i>An Inspector Calls</i> ?
Food & Nutrition	Staple/Cereals
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 2 – Me, My Family and Friends.
Geography	Paper 1 - Coasts
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 2 – Me, My Family and Friends.
Graphic products	Products in society and powering systems p10 - 13
Health and Social Care	Challenging discriminatory behaviour
History	Medicine; 18 th and 19 th Century Medicine, include key individuals e.g. Pasteur, Snow, Nightingale, Koch, Lister and Simpson. Consider the themes; Cause, Treatment, Care, Prevention.
Maths	Fractions, decimals and percentages
Media	Revise Pride. Study the uses and gratifications theory and how this is evident in the magazine. (p10)
Music	Key signatures up to 4 sharps and flats; and major and minor chords.
Physical education	The Structure and function of the cardio-respiratory system: Cardiovascular System/Respiratory System (Paper 1) – Revision Guide Pages 6-9
Religious education	Theme A: Relationship and Families: Divorce, families, gender and sexism
Resistant materials	Products in society and powering systems P10- 13
Combined Biology	B2 Cell division
Combined Chemistry	C2 Periodic Table, development of the periodic table e.g. Plum pudding model versus Nuclear model, reactions and trends in group 1 and 7.
Combined Physics	P2 – Energy transfer by heating and P3 – Energy resources
Triple Biology	B2 Cell division
Triple Chemistry	C2 Periodic Table, development of the periodic table e.g. Plum pudding model versus Nuclear model, reactions and trends in group 1 and 7, properties of transition metals.
Triple Physics	P2 – Energy transfer by heating and P3 – Energy resources
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 2 – Me, My Family and Friends.
Textiles	Pockets; facing; disposal of fullness.
Computing	Fundamentals of algorithms – searching and sorting algorithms - AQA Revision guide – pages 17-20
Creative iMedia	LO1 and LO3 – purpose of a Visualisation diagram, storyboard and a script. Creating a visualisation diagram, story board and analysing a script. Revision guide pages 3, 4, 5, 6, 23, 24, 25 and 26.

Year 11 Revision – Week 3

Business Studies	The Business plan and location Page 9 - 10
Child Development	Types of birth; pain relief; new born baby checks; post-natal care.
Drama	DNA revision book - Section A: 'actor playing the role of...' question. Advice, exemplar, complete revision exercises
English	Create a mind- map of all poems that explore the theme of suffering in the Power and Conflict poems from your anthology
Food & Nutrition	Dairy foods
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 3 – Free-Time Activities.
Geography	Paper 2 – Urban issues in the UK
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 3 – Free-Time Activities.
Graphic products	Properties of materials p14 - 16
Health and Social Care	Values of Care
History	Medicine; 20 th C medicine. Including key individuals, e.g. Domagk. Watson and Crick, Fleming, Florey and Chain. Consider the themes; Cause, Treatment, Care, Prevention.
Maths	Angles – Parallel Lines, Circle Theorems and Proofs.
Media	The Guardian: study the arrows and explain what meanings are suggested. Explain the active and passive audiences in the texts. Consider the representation of refugees.
Music	Names of and sounds of Cadences (through practise). ** Using the correct vocab – 'Perfect cadence', not 'finished'
Physical education	Anaerobic and aerobic exercise: Aerobic and anaerobic exercise. The effects of exercise – short term/long term (paper 1) – Revision Guide Pages 10 -12
Religious education	Theme B: Religion and Life: origins of the world, value of the world, environment, animals
Resistant materials	Properties of materials P14-16
Combined Biology	B3 Organisation and the digestive system
Combined Chemistry	C3 Ions, ionic bonding and giant ionic structure, simple molecules, fullerenes and graphene, giant metallic structures and bonding, nanoparticles, properties and uses
Combined Physics	P4 – electric circuits
Triple Biology	B3 Organisation and the digestive system
Triple Chemistry	C3 Ions, ionic bonding and giant ionic structure, simple molecules, fullerenes and graphene, giant metallic structures and bonding
Triple Physics	P4 – electric circuits
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 3 – Free-Time Activities.
Textiles	Applique/quilting.
Computing	Programming – data types, programming concepts, arithmetic operations, relational operations, Boolean operators, data structures - AQA Revision guide – pages 21-38
Creative iMedia	LO2 – Interpreting client requirements and categorising the target audience and understanding research (primary and secondary). Revision guide pages 9, 10 and 12.

Year 11 Revision – Week 4

Business Studies	The marketing mix page 12 – 17; Marketing part 2 Page 47-51
Child Development	Breast/bottle feeding - advantages and disadvantages, weaning.
Drama	DNA booklet – Section A: ‘explain how one key scene can be designed for a specific stage type’ Q. Revise ‘Pros/Cons’ staging sheet, mark a Q example using mark scheme, complete activities.
English	Create a mind- map of all poems that explore the theme of war in the Power and Conflict poems from your anthology
Food & Nutrition	Meat, Poultry, Eggs and fish
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 4 – Technology in Everyday Life.
Geography	Paper 2 – Urban issues in Brazil / wider world
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 4 – Technology in Everyday Life.
Graphic Products	Core materials – paper, boards, timber, metals, polymers, textiles – p14 - 23
Health and Social Care	Early Years – Values of Care
History	Britain on the Western Front: Developments in aseptic surgery, x-rays and blood transfusions. The trench system, key battles (e.g. The Somme) and problems with transport and communication. The chain of evacuation, medical staff. New techniques and treatments that developed during the war
Maths	Names/properties/nets of shapes and measures
Media	Study immigration issues in the Sun. Revise the contextual issues behind the Sun’s representation of immigration. Find a cover which relates to immigration and compare the ideas.
Music	Instrumental techniques – e.g. Pizzicato, Tremolo etc. (see the glossary)
Physical education	Movement Analysis: Levers/mechanical advantage/planes and axis of movement (Paper 1) – Revision Guide Pages 14-18
Religious Education	Theme B: Religion and Life: origins of life, abortion, euthanasia, death/afterlife
Resistant Materials	Core materials – paper, boards, timber, metals, polymers, textiles – p14-23
Combined Biology	B4 Organising animals and plants
Combined Chemistry	C4 mass, moles and formula mass calculations, equations and calculations, making a standard solution, concentrations
Combined Physics	P5 – Electricity in the home
Triple Biology	B4 Organising animals and plants
Triple Chemistry	C4 mass, moles and formula mass calculations, concentration and volume calculations, titrations, yields and atom economy
Triple Physics	P5 – Electricity in the home
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 4 – Technology in Everyday Life.
Textiles	Hand embroidery; free machine embroidery.
Computing	Programming –input/output and file handling, string handling operations, random number generation, subroutines, structured programming, robust and secure programming, classification of programming languages - AQA Revision guide – pages 39-57
Creative iMedia	Producing work plans and production schedules. Revision guide pgs 11- 12.

Year 11 Revision- Week 5

Business Studies	Finance Page 19 – 24; Finance part 2 page 53-60
Child development	Bathing; nappies; clothes; equipment; the baby's environment; safety; first aid; road safety.
Drama	Section B revision booklet (Theatre Review). Read through staging question/answers, complete activities
English	Use one of your mind-maps to write a response to: Explore how the poets explore the theme of war/ suffering in 'Remains' and one other poem of your choice from the collection.
Food & Nutrition	Fats and Sugars
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 5 – Customs and Festivals.
Geography	Paper 1 – The living world – Rainforests / cold environments
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 5 – Customs and Festivals.
Health and Social Care	Legislation - Equality Act
History	Anglo Saxons and Normans: Anglo Saxon Society; Social hierarchy including earls, thegns etc. Law and government, economy and power of the Godwins.
Graphic products	Core – Electronic/ Mechanical systems – p24 - 31
Maths	Constructions and perimeter, area and volume
Media	Study the revision materials based on Spectre (p16). Study the language and representations of men.
Music	Technological effects – e.g. reverberation, distortion, delay. (see the glossary)
Physical education	Physical Training 1: Fitness components. Principles of Training. Types of training (Paper 1) – Revision Guide Pages 20-28
Religious education	Theme D: Peace and Conflict: violence, terrorism, WMD, reasons for war
Resistant materials	Core – Electronic/ Mechanical systems – P24-31
Combined Biology	B5 Communicable diseases B6 Preventing disease
Combined Chemistry	C5 The reactivity series of metals, displacement reactions, making salts form metals and insoluble bases, neutralisation and pH, strong and weak acids
Combined Physics	P6 Molecules and matter
Triple Biology	B5 Communicable diseases B6 Preventing disease
Triple Chemistry	C5 The reactivity series of metals, displacement reactions, making salts form metals and insoluble bases, neutralisation and pH, strong and weak acids
Triple Physics	P6 Molecules and matter
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 5 – Customs and Festivals.
Textiles	Tye dye, batik.
Computing	Fundamentals of data representation – number bases, converting between number bases, units of information, binary arithmetic, character encoding - AQA Revision guide – pages 58-70
Creative iMedia	Producing work plans and production schedules. Revision guide pgs 11- 12.

Year 11 Revision – Week 6

Business Studies	Recruitment page 26-30
Child development	Common childhood illnesses; immunisation; looking after a sick child.
Drama	Section B revision booklet (Theatre Review). Read through acting question/answers, complete activities
English	Revise themes for <i>Macbeth</i> with key quotes and make links to context.
Food & Nutrition	Beans, Nuts, Seeds, Tofu/Soya/Quorn
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 6 – Where You Live.
Geography	Paper 2 – Resources – focus on water
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 6 – Where You Live.
Graphic products	Core - Forces, stresses, scales of production, quality control and production aids. p36 - 43
Health and Social Care	Legislation – Childrens Act
History	Anglo Saxons and Normans: William securing his power. Establishing control, Castles, Anglo Saxon resistance in 1068 and then in 1069-71, Harrying of the North.
Maths	Problem solving with Ratio and proportion
Media	Advertising: p.20. Study Quality Street. Complete the table covering different types of representations. Consider the way the Coca Cola advertisement uses media language to convey meanings.
Music	Musical devices – e.g. sequence, ostinato, arpeggio, scale. Harmonic devices eg Pedal, Drone.
Physical education	Physical Training 2: Training Zones. Warm ups and Cool downs (Paper 1) – Revision Guide Pages 29-32
Religious education	Theme D: Peace and Conflict: Holy war, just war, pacifism, responses to victims of war
Resistant materials	Core - Forces, stresses, scales of production, quality control and production aids. P36 – 43
Combined Biology	B7 Non- communicable disease
Combined Chemistry	C6 Electrolysis, electrolysis of solutions and pure ionic compounds, the extraction of aluminium
Combined Physics	P7 Radioactivity
Triple Biology	B7 Non- communicable disease
Triple Chemistry	C6 Electrolysis, electrolysis of solutions and pure ionic compounds, the extraction of aluminium
Triple Physics	P7 Radioactivity
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 6 – Where You Live.
Textiles	Printing, thermo chromic dyes, fabric paints.
Computing	Fundamentals of data representation – representing images, representing sound, data compression - AQA Revision guide – pages 71-81
Creative iMedia	

Year 11 Revision – Week 7

Business Studies	Production page 32 - 38
Child Development	Physical, social, emotional, intellectual development.
Drama	DNA revision booklet – Section A: ‘explain how a lighting designer would use lights to convey meaning to an audience’ question & exemplar, revise key lighting terms.
English	Revise key quotes linked to the theme of redemption in <i>A Christmas Carol</i>
Food & Nutrition	Food hygiene, Yeast, Mould, Fungi, Bacteria. Role of Environmental Health Officer; legislation e.g. Food Safety Acts.
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 7 – Lifestyle.
Geography	Paper 1 – Tectonic Hazards
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 7 – Lifestyle.
Graphic products	Specialist – Properties of paper and board p48 & 49 and standard components p50 & 51
Health and Social Care	Data Protection Act
History	Anglo Saxons and Normans: Landownership under William 1066-87, maintaining royal power (including the revolts of the Earls and the features and effects of the revolt).
Maths	Data handling and probability
Media	Revise <i>The Archers</i> (p. 28-30) and consider the radio industry, including BBC4, it’s remit, and audiences. Complete the tasks set on pages 29-30.
Music	Musical ornaments e.g. Acciaccatura, turn, trill, glissando etc.
Physical education	Sports Psychology 1: Classification of Skills. Basic Information Processing (Paper 2) – Revision Guide Pages 34-37
Religious education	Theme E: Crime and punishment: reason for crime, lawbreakers, aims of punishment, suffering, forgiveness, death penalty
Resistant materials	Specialist – Uses of wood, stock forms of wood, P58-60
Combined Biology	B8 Photosynthesis B9 Respiration
Combined Chemistry	C7 Energy changes. Exothermic and endothermic reactions, reaction profile diagrams, bond energy calculations, chemical cells, batteries and fuel cells
Combined Physics	P8 – Forces in balance
Triple Biology	B8 Photosynthesis B9 Respiration
Triple Chemistry	C7 Energy changes. Exothermic and endothermic reactions, reaction profile diagrams, bond energy calculations
Triple Physics	P8 – Forces in balance
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 7 – Lifestyle.
Textiles	Weaving, knitting, non-woven.
Computing	Computer systems – hardware and software, Boolean logic, software classification - AQA Revision guide – pages 82-96
Creative iMedia	Health and safety considerations in creative media production. Revision guide pages 15, 16, 17

Year 11 Revision – Week 8

Business Studies	Business Growth page 40-45
Child Development	Types of play; suitable toys.
Drama	DNA Revision Booklet - go to wider reading section: key themes, discussion, play structure, language, character and relationships, original performance information, a word from the author.
English	Plan a response to: 'How does Dickens present the change in Scrooge's character?'. Write response.
Food & Nutrition	Nutrients – Macro (Fat/Carb/Protein), Micro nutrients – Vitamins and minerals.
French-	Use your CGP Revision Guide and Exam Practice Workbook: Section 8 – Social and Global Issues.
Geography	Paper 1 – Weather hazards
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 8 – Social and Global Issues.
Graphic products	Specialist – Working with paper and board p52 & 53 and printing techniques p54 & 55
Health and Social Care	HASAWA
History	Anglo Saxons and Normans: Norman England; Feudalism, changes to the Church in England, the sheriff and the forest, Domesday book and Norman Aristocracy.
Maths	Pythagoras and Trigonometry
Media	P31. Revise the Helen and Rob episode (OneDrive). Answer the questions focusing on the ways in which characters and narratives are important to the BBC remit and their target audience. Has the audience changed over time and what impact does the show have on the audience?
Music	Knowledge of rhythm and time signatures; rhythm notation – from the semi quaver-quaver-crochet-minim, semibreve, including dotted notes, triplet notes, and all their equivalent rests.
Physical education	Sports Psychology 2: Mental preparation for performance, Aggression, personality types and motivation (Paper 2) – Revision Guide Pages 38-41
Religious education	Judaism: beliefs and teachings
Resistant materials	Specialist – shaping, moulding and joining of wood – P63- 71
Combined Biology	B10 Nerves B11 Hormones
Combined Chemistry	C8 rates of reaction and the collision theory, surface area, catalysts, temperature, concentration, reversible reactions, dynamic equilibrium and altering equilibrium conditions
Combined Physics	P9 Motion
Triple Biology	B10 Nerves B11 Hormones B12 Homeostasis
Triple Chemistry	C8 rates of reaction and the collision theory, surface area, catalysts, temperature, concentration, reversible reactions, dynamic equilibrium and altering equilibrium conditions
Triple Physics	P9 Motion and P10 Force and motion
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 8 – Social and Global Issues.
Textiles	Natural fibres, man-made fibres.
Computing	Computer systems – systems architecture - AQA Revision guide – pages 97-107
Creative iMedia	legislation in creative media production. Revision guide pages 18 - 20

Year 11 Revision – Week 9

Business Studies	Organisational structure page 62 - 66
Child Development	Childcare services; children with disabilities/special needs.
Drama	Exam practise Section A (questions A, B & C, D) –stick to recommended time limits for each question and have a go at answering mock Qs. Read indicative content after – how close were you?
English	Revise writing to persuade and then plan the response to an article titled: “Teenagers are enslaved to social media”. Write response.
Food & Nutrition	Healthy Eating guidelines – less fat, salt, sugar, high fibre, 5 a day, Eat well guide, water and hydration. Energy balance.
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 9 – Travel and Tourism.
Geography	Paper 2 – Economic world – Measuring development and NEE examples
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 9 – Travel and Tourism.
Graphic products	Specialist – Paper and board finishes p56 & 57
Health and Social Care	Mental Health Act
History	Anglo Saxons and Normans: Williams personality and death, Bishop Odo, Robert Curthose and the revolt 1077=80 and their defeat.
Maths	Algebraic manipulation/substitution/solving equations (Quads for Higher)
Media	Explain how websites target audiences. (p. 33)
Music	Instrument identification and their families. (of western and non-western instruments)
Physical education	Socio-cultural Influences: Engagement patterns of different social groups (Paper 2) -- Revision Guide Pages 43-46
Religious education	Judaism: practices
Resistant materials	Specialist – Treatments and finishes of wood p72-73
Combined Biology	B13 Reproduction B14 Variation and evolution
Combined Chemistry	C9 crude oil and fuels, hydrocarbons, fractional distillation, burning hydrocarbons, cracking hydrocarbons
Combined Physics	P10 Force and motion
Triple Biology	B13 Reproduction B14 Variation and evolution
Triple Chemistry	C9 crude oil and fuels, hydrocarbons, fractional distillation, burning hydrocarbons, cracking hydrocarbons C10 Organic reactions, reactions and properties of alkenes and alcohols. Structures of alcohols, carboxylic acids, esters
Triple Physics	P11 – Force and pressure
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 9 – Travel and Tourism.
Textiles	Smart fibres/fabrics; technical fibres/fabrics.
Computing	Computer networks – fundamentals of computer networks - AQA Revision guide – pages 108 – 121
Creative iMedia	File formats and their properties. Revision guide pages 27 - 31

Year 11 Revision – Week 10

Business Studies	Specialisation and interdependence page 68 - 72
Child Development	Fostering and adoption; Childcare services, statutory services.
Drama	Exam practise Section B (staging and acting q) – stick to recommended time limits for each question and have a go at answering mock Qs. Read indicative content after – how close were you?
English	Plan and write a response to: How does Priestley use the character of Eva in <i>An Inspector Calls</i> to comment on poverty?
Food & Nutrition	Packaging - types of materials, environmental issues e.g. Recycling; labels and logos. Labelling - what needs to be included, by law? Food traffic light system
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 10 – Study and Employment.
Geography	Paper 2 – Economic world – UK examples
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 10 – Study and Employment.
Graphic products	Looking at the work of others p94 & 95
Health and Social Care	Personal Hygiene
History	American West: Early Settlement: Plains Indians, Westward Migration and Conflict and Tension on the plains (e.g. Fort Laramie treaty).
Maths	Co-ordinates and graphs
Media	Study the regulation issues for Pokemon go. Explain why regulation is important to the games industry?
Music	Interval recognition (through practise). Using their full name to describe them eg Major 2 nd , Perfect 4 th
Physical education	Commercialisation of Physical Activity and Sport: Sponsorship, Media and Technology (Paper 2) – Revision Guide Pages 47-58
Religious education	Christianity: beliefs and teachings
Resistant materials	Designers/ work of others P94-97
Combined Biology	B15 Genetics and evolution
Combined Chemistry	C12 Chemical analysis, pure substances and mixtures, analysing chromatograms, testing for oxygen, carbon dioxide, chlorine and hydrogen
Combined Physics	P11 Wave properties
Triple Biology	B15 Genetics and evolution
Triple Chemistry	C11 Addition polymers, condensation polymers, natural polymers, DNA C12 Chemical analysis, pure substances and mixtures, analysing chromatograms, testing for oxygen, carbon dioxide, chlorine and hydrogen
Triple Physics	P12 Wave properties and P13 Electromagnetic waves
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 10 – Study and Employment.
Textiles	Environment and sustainability.
Computing	Fundamentals of cyber security – cyber security threats - AQA Revision guide – pages 122-131
Creative iMedia	File formats and their properties. Revision guide pages 27 - 31

Year 11 Revision – Week 11

Business Studies	www.kimberleyschool.co.uk Navigate to curriculum, KS4 past papers unit 1 setting up a business May 2015
Child Development	Exam question practice
Drama	Exam practise Section A (questions A, B & C, D) –stick to recommended time limits for each question and have a go at answering mock Qs. Read indicative content after – how close were you?
English	Plan and write a response to: ‘How does Shakespeare present Macbeth as a tragic hero?’
Food & Nutrition -	Functions of main ingredients in food, e.g. Flour in cake, Raising agents, dextrinization, caramelisation, gelatinisation.
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 11 – Grammar.
Geography	Paper 3 – fieldwork investigations – Burbage brook and Nottingham trams
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 11 – Grammar.
Graphic products	Market research / Product Analysis p100 - 103
Health and Social Care	Security Measures
History	American West - Development on the Plains 1862-76; Settlement in West (e.g. Homestead Act), the cattle industry and changes for the Plains Indians
Maths	Standard Index Form – Converting & Calculating.
Media	Look at your complete edition of the Sun. Create a revision mood board considering how the newspaper targets different audiences, what it’s political context is and how social issues are represented.
Music	Haydn – The Clock – knowledge of the style, context, use of instruments within the symphony, how the musical elements like melody, harmony, rhythm are used to compose this piece of music.
Physical education	Ethical Issues: Conduct of performers. Spectator behaviour (Paper 2) – Revision Guide Pages 59-64
Religious education	Christianity: Practices
Resistant materials	Market research / Product Analysis – P100- 103
Combined Biology	B16 Adaptations, interdependence, competition
Combined Chemistry	C13 History of the atmosphere, evolving atmosphere, greenhouse gases, global climate change, atmospheric pollutants
Combined Physics	P12 Electromagnetic waves
Triple Biology	B16 Adaptations, interdependence, competition
Triple Chemistry	C13 History of the atmosphere, evolving atmosphere, greenhouse gases, global climate change, atmospheric pollutants C14 finite and renewable resources, water safety and treatment, extracting metals, life cycle assessment, reduce, reuse and recycle
Triple Physics	P14 Light and P15 Electromagnetism
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 11 – Grammar.
Textiles	Past exam questions
Computing	Fundamentals of cyber security – methods to detect and prevent cyber security threats - AQA Revision guide – pages 122-131
Creative iMedia	LO4 How to review pre-production documents and identifying areas for improvement. Revision guide pages 33 and 34.

Year 11 Revision – Week 12

Business Studies	Command words page 95 from the revision guide
Child Development	Exam question practice
Drama	Exam practise Section B (staging and acting q) – stick to recommended time limits for each question and have a go at answering mock Qs. Read indicative content after – how close were you?
English	Re-visit timings and top tips for the Language Papers. Use your mock papers to create a checklist for each question.
Food & Nutrition	- Special Dietary needs – coeliac, lactose intolerant, allergies, vegan, vegetarian. Diets for different age groups – children, teenagers, elderly
French	Use your CGP Revision Guide and Exam Practice Workbook: Section 12 – Exam Advice... and any Sections you missed / did not finish.
Geography	Paper 3 – Issue evaluation – revise from the pre release booklet
German	Use your CGP Revision Guide and Exam Practice Workbook: Section 12 – Exam Advice... and any Sections you missed / did not finish.
Graphic products	Technology in manufacturing p2 & 3 and Production systems p4 & 5
Health and Social Care	Safety Measures
History	American West - Conflicts and Conquest, 1876-1895; changes to framing and the cattle industry, continuing conflict (e.g. Billy the Kid, Johnson county war) and the ending of the Indian Way of life (e.g Dawes Act)
Maths	Sequences – Continuing, describing, Nth Term and Is the number in the sequence?
Media	Study Spectre. How does the website appeal to audiences? Remember to consider narratives, enigmas, franchise etc.
Music	The Beatles (3 songs) – knowledge of the style, context, use of instruments within the band and studio, how the musical elements like melody, harmony, rhythm are used to compose these 3 pieces of music.
Physical education	Health and Fitness: Physical, emotional and social health, fitness and well-being. Somatotypes and obesity. Diet, energy use, nutrition and hydration (paper 2) – Revision Guide Pages 66-75
Religious education	Christianity: Practices
Resistant materials	Overview revision with Technology in manufacturing and CAD / CAM - P1-5
Combined Biology	B17 Ecosystems B18 Biodiversity
Combined Chemistry	C14 finite and renewable resources, water safety and treatment, extracting metals, life cycle assessment, reduce, reuse and recycle
Combined Physics	P13 Electromagnetism
Triple Biology	B17 Ecosystems B18 Biodiversity
Triple Chemistry	C15 rusting, alloys, polymer properties, glass, ceramic and composites, the Haber process, fertilisers
Triple Physics	P16 Space
Spanish	Use your CGP Revision Guide and Exam Practice Workbook: Section 12 – Exam Advice... and any Sections you missed / did not finish.
Textiles	Past exam questions
Computing	Ethical, legal and environmental impacts of digital technology on wider society, including issues of privacy - AQA Revision guide – pages 132-134
Creative iMedia	LO4 How to review pre-production documents and identifying areas for improvement. Revision guide pages 33 and 34.
