

The Kimberley School

Uniform Policy

Uniform Policy Statement

All students at The Kimberley School, from Year 7 to Year 11, wear uniform. Our school uniform is an important part of our identity. It promotes a sense of **belonging** and **pride** in our community, helping pupils feel connected to one another and to the values we uphold. Wearing the uniform encourages students to take **pride in their appearance** and to represent the school positively both inside and outside the classroom.

A consistent uniform also supports a **focused learning environment** by reducing distractions and promoting equality among pupils. It ensures that students are dressed safely and appropriately for school activities, while reinforcing high standards and a shared sense of purpose. Wearing a uniform also solves the problem of what to wear!

Introduction

This document outlines the uniform requirements for all students at The Kimberley School. By enrolling their child, parents agree to support this policy and ensure their child follows the expectations set out within it.

Our aim:

The aim of our uniform policy is to promote a sense of **pride**, aligned with The Kimberley Way (below), unity and equality across the school.

By wearing the uniform, students show they are **proud to belong** to our community and committed to upholding its high standards. The policy supports a calm, focused learning environment, reduces distractions, and ensures all students present themselves in a safe, respectful, and consistent manner.

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Provide clarity and consistency in our expectations for school uniform. This policy has been developed in full consultation with the Governing Body and informed by the views of staff, pupils, and parents. All feedback has been carefully considered, and reasonable adjustments have been made where appropriate. The expectations outlined in this policy represent the final agreed position and are not open to further negotiation.

Monitoring arrangements for our Policy:

This policy will be reviewed on an annual basis by the Senior Leadership Team and approved by the Head Teacher. If any changes are required, these will also be agreed by the Governing Body.

Related School Policies, Statements of Practice and procedures:

- Behaviour Policy
- Equality Policy
- Anti-Bullying Policy
- Complaints Policy

All of the above can be found on the Policies page on the school's website.

Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristic, which include age, sex, disability, race, religion or belief, pregnancy or maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment.
- Allow pupils to wear black headscarves and/or other religious garments.
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs (following agreement with the SENCO).

Limiting the cost of School Uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible, for example, by only asking that the blazer, worn over the school shirt / school jumper, features the school logo
- Limiting items with distinctive characteristics to low-cost and/or long-lasting items, such as ties, and blazers.
- Considering cheaper alternatives to school-branded items.
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes (ie, trainers for PE)
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller.
- Avoiding different uniform requirements for different years and classes.
- Avoiding different uniform requirements for extra-curricular activities.
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.

Expectations of our School Community

Pupils: First Impression Count!

We expect our students to wear their uniform with pride. Students are to travel to and from The Kimberley School in the correct uniform and wear it appropriately during the school day and at all school associated functions, out-of-school events and school trips (unless informed otherwise).

Uniform will be checked every morning at The Kimberley School gate and students will not be allowed to enter lessons until they are in full, correct uniform. Uniform breaches, that cannot be solved immediately within school, will result in the student being sent home to correct their uniform or being sent to Pre-Suspension for the day.

Parents/Carers: Uniform should be clean, labelled and in good condition

It is the Parent/Carers responsibility to ensure their child has fully adhered to the Uniform Policy when attending The Kimberley School.

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is: clean; clearly labelled with the child's name; and in good condition, Parents are also expected to contact the school in writing if they want to request an amendment to the uniform policy in relation to: their child's protected characteristics; or the cost of uniform.

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner. Disputes about the cost of the school uniform will be: resolved locally, and dealt with in accordance with our school's complaints policy (which can be found on the Academy's website). The school will work closely with parents to arrive at a mutually acceptable outcome.

Staff: Uniform Monitoring

Staff will closely monitor pupils to make sure they are in correct uniform.

All students are welcomed on the gate by members of the SLT Team (or at Late Gate/Student Reception if not arriving on time) and will be given the opportunity to rectify the uniform issues before entering the school site.

When challenging any issues related to uniform, staff will sign a students SMART Card; indicating the issue and the date it occurred. If a student receives three ticks on their SMART Card they will be issued a '3 Ticks Detention' (30 minutes the next night).

The school will give all pupils and families persistently breaching the uniform policy the opportunity to comply, but will follow up with the SLT/Head Teacher if the situation doesn't improve.

Governors: Policy Review

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example, by avoiding single supplier contracts, signposting a variety of choice and options for parents to select uniform which suits fit, cost and convenience and by reviewing these at least every 3 years.

Should Parents/Carers have any queries regarding this policy or our uniform requirements, please e-mail office@kimberleyschool.co.uk

SMART Card

Every Student will be provided with their own SMART Card.

It is their responsibility to bring this to school every day and show it to their Tutor during Registration, in the morning.

If a student does not have their SMART Card, or fails to present it when challenged, they will be issued with a **'No SMART Card' Behaviour Point** and have a **30-minute detention** the following day.

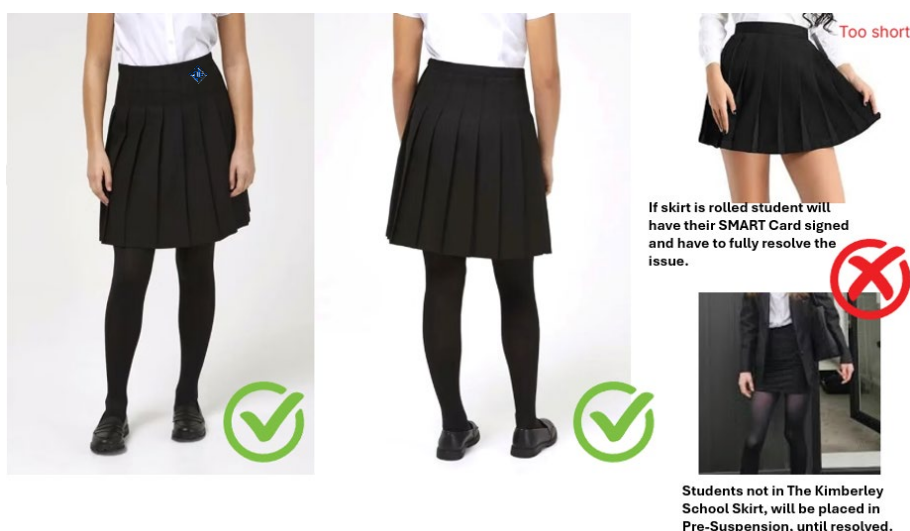

As previously suggested, **if a student is not wearing their uniform correctly** then they will be challenged by a member of staff. **Staff will sign the students SMART Card**, outlining the issue and the date, and the **student will rectify the issue**.

If there is a **genuine reason** for a student to not wear their full, correct uniform, then **parent must contact school** (e.g. e-mail/call the Pastoral Team). A resolution date will be agreed and the student will be provided a **Uniform Slip** to excuse them; for the short, agreed period. This will only be provided in genuine extenuating circumstances e.g. following a medical procedure. Staff will still challenge the student, however they can simply show the Uniform Slip.

If it is not possible for the student to rectify the issue, and they do not have a valid Uniform Slip, then they will be placed in Pre-Suspension until it is resolved.

What if? FAQ...

Incident	Action
Immediately resolvable issues	
I have an example where I am not wearing my uniform correctly e.g. shirt untucked, skirt rolled up, sagging trousers etc.	Staff member will challenge the student and the <u>issue is to be rectified immediately</u> . The students SMART Card will be signed.
I am not wearing my: – Blazer – Tie – (Any mandatory item) However, they are in my school bag .	Staff member will challenge the student and the <u>issue is to be rectified immediately</u> . Failure/refusal to rectify will result in Pre-Suspension, until resolved. The students SMART Card will be signed.
I am wearing false lashes or too much make up .	Staff member will challenge the student and the <u>lashes/make up will be removed rectified immediately</u> . Failure/refusal to remove will result in Pre-Suspension. The students SMART Card will be signed.
What if I refuse to amended the 'resolvable issue' when challenged by a member of staff during the school day.	The member of staff will request support from On Call/SLT (<i>Allowing students time to make the right choice</i>). If the student continues to refuse to resolve the issue, they will be placed into Pre-Suspension until the issue is resolved . A failure to Cooperate/Defiance will be logged by the member of staff.
I am wearing an Outer Coat, but am not wearing my blazer	Staff member will challenge the student and the <u>issue is to be rectified immediately</u> . Failure/refusal to rectify will result in Pre-Suspension, until resolved. The students SMART Card will be signed.
I am wearing an Outer Coat that doesn't meet the guidelines provided e.g. sports jacket, body warmer, denim jacket etc	The item will be confiscated. This will then remain in Student Support until the end of the school day, when the student can then collect the item. Repeated offenses may lead to the parent having to collect the item, instead of the student.
I am wearing items which are not permitted e.g. hooped earrings or non-permitted Jewellery, Hoodie etc	These will be confiscated by the member of staff. All confiscated items will be placed in an envelope and returned at the end of the school day. The students SMART Card will be signed.
Continued on the next page...	

I am wearing trainers and, whilst I change to shoes when challenged, I change back to trainers later in the day.	The SMART Card will be checked, if already signed for this issue the Trainers will be confiscated by the member of staff. All confiscated items will be placed in an envelope and returned at the end of the school day. The students SMART Card will be signed.
Issues that are not immediately resolvable	
What if I arrive to school in incorrect uniform/without the item to resolve the issue e.g. wearing trainers, no blazer etc	<i>If identified before student enter the gates</i> in the morning, they will be sent home to resolve the issue (<i>attendance will be unauthorised if returning late</i>). <i>If this is not feasible</i> e.g. transport/distance issues (<i>deemed by the member of staff</i>), then the student will be placed in Pre-Suspension and parents will be notified. Student will remain in Pre-Suspension until the item has been delivered by the parent and/or the situation is resolved.
What if I recently have a piercing that I am unable to remove	This must be covered at all times (e.g. by a plaster) until a time it can be removed and replaced by a clear retainer. It is recommended that students refrain from having additional piercings until the beginning of a Summer Holiday (which allows time for healing).
What happens if I have multiple piercings or earrings other than a plain stud in each ear lobe.	Student will be asked to remove all but two plain studs (one in each ear lobe). All other items will be confiscated and returned to the student at the end of the school day <i>Remember, students are encouraged to use clear retainers where necessary.</i>
FAQs / Common Misconceptions	
If I have PE can I wear my trainers to school, instead of shoes, because there is no room in my bag.	No, this is not acceptable. Students must wear appropriate school shoes (described above) when they come to school. They should then have a change of footwear for PE. If space in the school bag is a premium, then the suggestion would be to have a second bag for PE (<i>often these are drawstring and carryable with the student's backpack</i>). Students wearing trainers, instead of school shoes, will be placed in Pre-Suspension until resolved.
Are leggings allowed for school uniform e.g. as an alternative to trousers or under a skirt.	The simple answer is no. Leggings are an option for PE uniform, but not for school uniform. Even on days when students have PE, they will get changed rather than wear them under a skirt. Students wearing leggings instead of a skirt or tights, will be placed in Pre-Suspension until resolved.
Continued on the next page...	

Can I wear PE Kit e.g. shorts/jeggings under my uniform	Again, no. There is no need for students to wear shorts under their trousers. This is predominantly for hygiene reasons as well as it being unnecessary. If students have PE, they will be provided time during their lesson to get changed.
If I forget an item e.g. a tie, I can just borrow one from Student Support.	This is no longer the case. Unfortunately, due to the sheer volume of uniform unreturned, the school are unable to 'loan' items of uniforms to students. School is no longer able to loan items to students.
I've hurt my toe and a note from a parent will excuse me wearing alternative uniform e.g. trainers etc	No, this is not the case. Parents should provide the note and/or have a conversation with the Pastoral Team. The Pastoral Team will provide a Uniform Slip. It is the Uniform Slip which excuses students, not the note from parents.
I can have my shirt untucked or take my blazer off at break and lunch.	Again, this is not the case. If students are taking part in physical activity on the Ball Courts, then they may take it off during this time. Once they leave the Courts all uniform must meet basic expectations. In short, all students are to always wear all uniform (correctly) whilst on school site.
