Dear Parent/Carer

21st January 2026

**YEAR 9 OPTIONS EVENING
THURSDAY 12th FEBRUARY
5 PM TO 7.15 PM**

On **Thursday 12th February** the school will be open to present our Key Stage 4 courses. Year 9 students and parents/carers are invited to attend to help inform students' decisions on the subjects they will choose to take from September 2026.

The evening is an opportunity to look at departmental information and to talk to subject staff. Students will be encountering some subjects not previously taught at Key Stage 3 and you may welcome this opportunity to find out more about these and the exact GCSE content in other subjects. Department displays and staff will be available from 5.00 p.m. to 7.15 pm. Please allow yourself enough time to visit all the subjects that interest your child either before or after the presentation detailed below.

The presentation in the hall will outline the process of the option system and provide you with a full explanation of the choices students will need to make. Please attend the correct presentation for your child's house in order to reduce congestion.

Year 9 Boot & Clough – 5.45 pm
Year 9 Lawrence & Nightingale – 6.15 pm

Over this half term, different subject leaders are giving short presentations to the students about their subjects, in order to ensure they have as much information as possible. I have also been in to speak to Year 9 in order to outline the process, and will do so again in advance of options evening to ensure students are as well-informed as possible.

In advance of the evening, please take time to have a look at the GCSE Options booklet:

<https://www.kimberleyschool.co.uk/curriculum-overview>

You can also find further curriculum information for each subject on our school website, by following the 'more information' link on each page of the booklet.

I look forward to seeing you next month, at an exciting time for the year group.

Yours sincerely,

J. Saunders

Jonathan Saunders
Deputy Head Teacher
